

### Rev. Dr. Yost brings:

- ◆ Ordination as a Presbyterian minister.
- ◆ Many years of working with congregations and pastoral leadership in mission & ministry design and implementation, pastoral search, conflict management and administrative practices.
- ◆ Experience teaching PC (U.S.A.) polity for commissioned ruling elder and pastoral preparation and other online continuing education courses.

-----

Dr. Yost has experience and skills to consult with congregational leadership in developing and implementing a mission and ministry design; resolving conflict; examining administrative policies, procedures and processes, and clarifying pastoral expectations.

-----

Dr. Yost is committed to working with pastors and commissioned ruling elders, especially those in their first call, to develop effective reflective practices enabling and supporting growth in ministry.
