# The Retreat

For women... No matter who you are or where you are in ministry or in life, finding your voice is essential.

Our overnight retreat will be spent exploring the critical stuff of life:

How do I discover my voice?

How do I know when I've found my voice?

*What encourages me to speak my truth?*

When do I hear my voice most clearly?

*How do I experience God when I speak my voice?*

Does it make a difference when I speak?

You will experience a safe, supportive and friendly group of women where you can feel comfortable to just be yourself.
