Dear Pastors and Clerks of Session,

At the January 21<sup>st</sup> meeting, Northumberland presbytery voted to organize and sponsor a Mission Work Camp through the Krislund Camp and Conference Center. This Mission Camp will take place the week of June 25-30, 2017.

We are looking for participants in this Mission experience

- retired adults, teenagers, and anyone in between
- highly skilled carpenters, people who have never used a hammer, and anyone in between
- deeply committed Christians, people who need an experience of putting their dwindling faith to work, and anyone in between.

We know that most of our small churches do not have enough people to do such a camp, but we believe that EVERY CHURCH has at least ONE PERSON who can contribute to and benefit from the experience of working together with other Presbyterian Christians to help neighbors in need. At the Presbytery, we don't know who all of those people are, but YOU KNOW the people in your congregation who will want to do this. Please talk with them about this opportunity.

The cost of participating in the week is \$375 per person. This includes not only the direct costs, but also a contribution toward the construction materials that will be used. Could your congregation help someone to defray these costs?

Please help us by making this announcement in worship (more than once), and by distributing the information in the attached brochures. The Committee on Service hopes to have a list of interested people by April 1, so that we can begin organizing this group.

Thank you for helping the Presbytery and Krislund Camp to help those in need in our area.

In Christ's Service,

Rev. Doug Orbaker  
for the Committee on Service
