## The Retreat

Learn how working with a Spiritual Director can help you find balance in your life as a woman of faith. Opportunities for sharing together, for experiencing silence, and for discovering a spiritual discipline will be provided in an informal setting.

Our health and fulfillment in life depends on keeping balance in body, mind and spirit. Working with a spiritual director can help give focus to your spiritual life.

- What is spiritual direction?
- How can working with a spiritual director help me become balanced?
- Where can I find a spiritual director?
- What role does a spiritual director play?
- When would I need or want a spiritual director?
- Is there more than one kind of spiritual direction?
- What spiritual disciplines are helpful in keeping balanced?

You will experience a safe, supportive and caring group of women where you can feel comfortable to just be yourself.
